#### GOVERNMENT EXAMINATIONS.

##### SPECIAL TEST EXAMINATIONS—OCTOBER 1916.

##### NOTICE TO CANDIDATES FOR THE PAPER-WRITING TEST.

The following instructions are published in order that candidates may know what is expected of them in the test:—

##### Instructions to Candidates.

The object of a paper is that any one who has not time to read the original correspondence may, by reading the paper, be put in possession of all the leading features of what passed.

1. The candidate should begin by reading the whole of the correspondence carefully through without writing anything, so that he may clearly understand what passed and be in a position to decide what are the main heads under which the important facts should be arranged. He should then read through the paper again marking what is important.

2. The paper should begin with a brief and laud introduction to the subject under treatment. This should be followed by a narrative in the past tense containing a brief and clear statement of the contents of the correspondence, not in the order of the papers nor even necessarily in chronological order, but in logical order. An statement of every paper in the correspondence or an index of its contents is not a paper.

##### 4. The nature of a paper are:—

- (1) to contain all that is important in the correspondence and nothing that is unimportant;
- (2) to present this in a readable and consecutive shape, repeated as intelligently and distinctly as possible;
- (3) to be as brief as is compatible with completeness and clearness;
- (4) to present a strictly accurate and logically connected statement of the contents of the correspondence.

No candidate can expect to pass who writes any one of the most important points; marks will be deducted if unimportant points are included or if facts are repeated unnecessarily; if any it is not necessary to give the date of every paper in the correspondence and the full name and designation of the writer or signator of every letter; and if a fact is repeated in different papers it need not generally be stated more than once in the paper.

5. Grammar, spelling, style and handwriting will be considered in assigning marks; but it must be remembered that mere mistakes in composition will not compensate for want of accuracy or incompleteness in the presentation of the facts of the correspondence.

NOTIFICATION.

No. 18, dated 19th July 1913.

**NOTICE OF SALE OF AKBARI PRIVILEGES.**

Notice is hereby given, that the number of farms and independent shops appointed for the sale of Akbari during the twelve months beginning 1st October 1910 and ending 30th September 1911 and the land income appointed for them will be notified by Collectors in their District Gazette, and that the privilege of sale therein will be put up to public auction on the date, at the place and by the officers to be notified by Collectors subject to the conditions hereinafter set forth.

**Conditions of Auction Sale.**

II. The districts in which independent petty shops, arack farms and arack and petty farms, respectively, will be sold are specified below:—

Independent petty shops.	Arack farms.	Arack and petty farms.
1	2	3
Throughout the Presidency including the Bangalore District and including the Nilgiri District, which areas in the Madras District and certain shops in the Madras Town Circle.	Cochin Town and the Alappuzha taluk.	Benaulam, including portions of British Cochin.

A separate notification will be issued regarding operations under the free-tax system. Collectors will issue orders regarding the terms where special systems are in force.

III. A deposit must be made by each bidder previous to bidding and will be received by the selling officer on the day of sale. A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of farms Rs. 100 will be the ordinary deposit. This will be reduced to Rs. 50 in the case of bidders for farms of an aggregate monthly rental of not more than Rs. 100 and to Rs. 10 in the case of bidders for single small farms. In the Madras District, the selling officer may, where he finds it necessary, require a deposit of Rs. 50 in the case of bidders for petty shops. In the South Canara District, the selling officer may at their discretion reduce the deposit to Rs. 2 for shops whose average monthly rental does not exceed Rs. 5.

IV. The shops or farms will be put up to auction in the order in which they are notified, unless the selling officer sees reason to change that order. Upon sales will be fixed at the discretion of the Collector. The reserve price fixed by Government on the shops or farms will not be published, but the average of the previous five years' rentals will be notified by the Collector, whenever possible, for the information of bidders.

V. No person will be allowed to bid for another unless he holds a power of attorney from him.

VI. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Akbari Act, as to render him unwelcome as a holder of a license or on the ground that he is involved or to preclude arrangements to the

licensed for the sale of opium. In shops which are clearly of a superior character private bars may be specially allowed by the Collector, under a special license to be granted by him. Free of fee, provided that the interior of the bar is visibly visible from the doorway and that the entrance to it is either through the main door of the shop or through a separate door clearly labelled, or provided with a proper sign-board to show its nature.

3. A sign-board must be affixed to the front of each depot or shop showing the nature and number of the license under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor) the current rate of sale. These particulars must be legibly printed in the local vernacular and, in the case of towns and wholesale depots, in English also. The license must be kept up in an conspicuous place within.

4. All liquor, spirit and intoxicating drugs sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to spirit and intoxicating drugs either to increase their intoxicating power or for any other purpose except the manufacture of intoxicating drugs in accordance with the terms of a license. Nothing shall be added to liquor except in compounding in accordance with the terms of a license. No shell distilled heads of liquor be mixed and sold under the designation of one of them. All officers authorized to inspect depots and shops (vide condition 23 aforesaid) are authorized to detain any liquor, spirit, or intoxicating drugs found unfit for consumption or use, or which they may believe to have been tampered with in any way, and all Collectors and Deputy and Assistant Commissioners of the Salt, Alkali and Customs Department are empowered to condemn or temper any liquor, spirit, or intoxicating drugs unfit for consumption or use or which have been tampered with, and sell liquor to which liquor of another description has been added and which is being offered for sale under the name of one of the liquors so mixed.

5. The sale or transport of liquor, spirit or intoxicating drugs by persons below the age of 21 or by persons suffering from liquor or any contagious disease and the employment of such persons in shops or depots for the sale of the same are prohibited. The District Officer may, where necessary, call for the names of all persons employed or proposed to be employed in depots or shops and forbid the sale of liquor, spirit or intoxicating drugs by any person of whom he may disapprove.

6. No depot or shop shall be opened before 6 a.m. will be allowed, only in special cases under separate licenses and on payment of such fees as may be prescribed by the Collector.

7. No drunkenness, disorder or gaming shall be permitted in depots or shops. Entertainment or any kind in depots or shops are also strictly forbidden.

8. No soldiers or thieves or disorderly or riotous persons shall be harboured in depots and shops. Intimidation of their rivals therein shall be given to the nearest Magistrate or Police officer.

9. No person shall be kept in any depot or shop during the night.

10. Depots and shops situated on or adjacent to the line of march must be closed, if the Collector so orders, while a regiment or detachment of European or native soldiers is passing or is engaged in the vicinity. Collectors or District Officers shall have power also to close any shops temporarily in times of religious observance or disturbance. Every depot and shopkeeper shall on his own motion close his depot or shop when there is riot or disturbance in the neighbourhood.

11. The Collector may order the transfer of depots and shops from one locality to another or their closure or the opening of new depots and shops within limits as to number to be fixed by the Board of Revenue in their sanction. But no new shops should be opened unless notice of the sites selected has been published in the District Gazette six months before the commencement of the lease and no such changes as to affect the interests of adjacent shopkeepers shall be made during the currency of a lease except under special sanction of the Board. Transfers may at any time permit the transfer of a shop within the limits notified for the shop in the sale notice.

12. The right is reserved to the Collector to grant "General Licenses" for the sale of liquor, spirit and intoxicating drugs, on the occasion of fairs, festivals, etc., only in places in the vicinity of which there are no regularly licensed shops. This power in regard to country spirits and toddy may also be exercised by District Officers. Such licenses should be issued only when absolutely necessary and shall ordinarily be granted to the shopkeepers who usually supply the locality or to the representatives of the market. The license shall run only so long as they are actually required on a working day. But more than one license shall be issued for a fair or festival without the sanction of the Board. The fees to be paid for the license shall be fixed at the discretion of the officers issuing them.

13. No liquor, spirit or intoxicating drug shall be sold or given—

(a) Except at shops specially approved by the General Officer Commanding the Division (or Independent Brigade) or the Officer Commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Revenue authorities and specified in the license—

- (1) to soldiers of the Royal Navy, soldiers and the members of their families, or
- (2) to any other person living in barracks;
- (3) to persons whom a vendor knows, or has reason to believe, to be any of the following, (a), all classes of followers (other than private servants) whether on or off duty, who have a right to be in establishments;
- (4) to followers, Native officers and Railway servants when on duty; or,
- (5) in any circumstances, to any—
  - (1) European, except under sanction of the Police;
  - (2) child, under fourteen years of age;
  - (3) insane person; or
  - (4) person known or believed to be intoxicated.

Note.—The restrictions in (a) and (5) do not apply to Native soldiers, their families and followers when they are absent on leave from their regiments.

14. No privilege of supply or road shall be sold, transferred or sub-let without the Collector's previous permission. None of the Collector's sales, shall any agent be employed for the management of any such privilege without his previous approval.

15. No holder of any license or special license will be allowed, without special permission from the Collector, to possess any interest in any estate, or again license in any foreign territory or British territory in which the duty is lower, adjacent to the district in which he holds his license.

18. Depots and shops must be kept open unless their temporary or permanent closure is authorized in the conditions of sale or of a permit of licence, or in the case of a licence, upon or in connection with the licence or permit, or in the case of a permit, upon or in connection with the permit.

19. No liquor, spirit or intoxicating drug shall be sold as shops except for cash. The licensee shall be bound to give possession of the effect of anything other than cash to the nearest Magistrate or Police officer. This condition is not, however, subject to contract credit sales in the ordinary course of business by shopkeepers or firms of standing and responsibility dealing in foreign liquor for consumption off the premises.
